### Presentation on “Seeing the Fruit of Mission in Korea”

What are our hopes and dreams for mission work? Through our mission work, we hope to share the gospel with those in need of Jesus Christ as their Lord and Savior. While mission trips often focus on providing support and compassion to local communities in need, the upcoming mission trip to Korea presents a meaningful opportunity to witness the transformative impact of mission work in action. Although we did not have the opportunity to meet any of the early missionaries, we can witness the beautiful fruits of their efforts and appreciate the remarkable fruits of their labor.

“Seeing the fruit of mission in Korea” allows us to see the fruit of the seeds planted by dedicated missionaries, the men and women who carried their faith and willingness to be the hands and feet of Jesus to Korea, where they built churches, hospitals, schools, and universities throughout the country.

Join us as we explore the impactful legacy of mission work and discover how you can be a part of this exciting journey. We invite you to attend our informational session, “Seeing the Fruit of Mission in Korea,” on Wednesday, January 8, at 6:00 p.m. in the conference room. We hope you'll consider joining us on this meaningful journey!
